Fort Drum Home page
<http://www.drum.army.mil>

Welcome to Fort Drum and the North Country in the picturesque Thousand Islands Region of Northern New York State. This installation is located in one of the most unique and beautiful areas in the United States. Fort Drum is approximately 30 miles from Canada, with the Great Lakes to our west and the Adirondack Mountains to the east.

Winter and summer sports opportunities abound. The Adirondack Mountains, Lake Ontario, and the St. Lawrence River in the Thousand Islands Region are prime tourist attractions. The tri-county areas of Jefferson, Lewis, and St Lawrence surrounding the installation are rich with history and tradition.

CRIMINAL OFFENSES: In New York State it is a criminal offense, punishable by a year in jail and a \$1000 fine, to possess a privately-owned handgun in your residence or on your person unless you have been issued a New York State pistol permit. The only exception is for unloaded antique and replica muzzle-loading pistols and cap-and-ball revolvers.

You can take your handguns to Fort Drum from an overseas assignment if your handguns are shipped with your household goods or hold baggage shipment as authorized by Chapter 13, AR 55-71. Contact the Military Police at 772-5156 or 772-5157 as soon as you arrive at Fort Drum. Let them know you have handguns coming. When the shipment arrives, notify the Jefferson County Sheriff's Department at 786-2711. Advise them of your weapon information (i.e. type, caliber, serial number) and follow their instructions.

PERMISSIVE TDY: Permissive TDY is authorized prior to departing your current duty station. DA Form 31 is to be used for house hunting purposes only. Upon arrival to your new duty station, immediately report to the CHRRS Office Building P10720 Mt Belvedere Blvd (Clark Hall) to validate your permissive TDY; after duty hours report to the Inn at Fort Drum on Po Valley Road. The CHRRS Office also has information about housing on the economy (apartment & house rentals and available real estate for sale in the area).

THE SPEED LIMIT IN NEW YORK STATE IS 65 MPH ON RTE #81, NY THRUWAY (#90), AND RTE #87. ON ALL OTHER NON-RESIDENTIAL ROADS THE SPEED LIMIT IS 55 MPH UNLESS OTHERWISE POSTED. FINES ARE DOUBLED FOR SPEEDING IN ROADWORK ZONES.

CELLPHONE USE IN NEW YORK STATE MUST BE HANDS-FREE, YOU MAY BE TICKETED AND FINED IF CAUGHT TALKING ON YOUR CELLPHONE WHILE DRIVING.

NEW YORK STATE BICYCLE HELMET LAW:
New York State Law requires all children under the age of 14 years to wear a helmet when riding a bicycle. All personnel riding a bicycle on Fort Drum must wear a bike helmet.

Comments: <p>You are not required to register your car in New York state, as long as you have a valid registration from another state. You will have 45 days to obtain New York registration if your car has SOFA plates from overseas.</p> <p>DMV Downtown Hours: Mon, Tue, Wed, Fri: 0900-1645 Thur: 0900-1900 July & August: Mon-Fri: 0830-1545</p> <p>TIPS FOR DRIVING IN CANADA: You are required to have an Inter-Province insurance liability card when driving in Canada. These can be obtained through your insurance company. REMOVE ANY RADAR DETECTORS from your vehicle before crossing the border. They are strictly illegal in Canada and, if found during a check of your vehicle, will be confiscated and destroyed and you will be subject to a stiff fine. There is also a DOD Directive which makes radar detectors illegal on post. Also remember that speed limits and distances in Canada are posted in kilometers, not miles.</p>

When windshield wipers are on due to inclement weather, headlights MUST be on. New York State does not acknowledge USAREUR drivers' licenses as being valid for motor vehicle operation. ALL CHILDREN UNDER THE AGE OF FOUR YEARS MUST be in approved car safety seats. The installation speed limit is 25 mph unless otherwise posted. All vehicles must slow to 10 mph when passing troops in formation. All passengers under the age of 16 years old must be restrained by a safety belt.</p> <p>VEHICLE CHECKS: It is Fort Drum policy that all vehicles operated on Fort Drum have valid inspection stickers. If the state in which your car is registered does not have an inspection program, you have 15 days to get a New York State inspection sticker. These can be obtained at the Auto Craft Center or any other licensed inspection station. The cost is \$14 for 1975 and newer vehicles, \$10 for 1974 or older vehicles.</p> <p>ACCIDENTS: If you have an accident on post or off post, DO NOT leave the scene. Immediately report it to the MPs or civilian police. All insurance companies furnish a "what to do" form. This should be kept in the glove compartment along with your proof of insurance card. Contact your insurance representative as soon as possible. The telephone number for Military Police is 772-5156/5157.</p>

Local Community

Local Community Overview

For more information on this subject:
Watertown Chamber of Commerce
<http://www.WatertownNY.com>

Watertown was first settled in 1800 so there is plenty of history to whet your imagination. It is also at the threshold of a great recreational resource which includes Lake Ontario, the St. Lawrence Seaway, and the Adirondack Mountains.

Watertown was once thought to have the highest number of millionaires per capita in the United States and many of its prestigious buildings have been preserved for all to see. To trace our history visit the Jefferson County Historical Society and Museum. Watertown also holds the roots of the famous F.W. Woolworth 5 and 10 cent Store empire.

Alex T. Duffy Fairground hosts the Jefferson County Fair each summer. Held annually in July, this event is the nation's oldest continuously running county fair.

Thompson Park, a lofty hilltop site, presents a panoramic view of the city and surrounding countryside. This park was designed by the same firm that planned New York City's Central Park and the Capital Grounds in Washington D.C. A scenic greenbelt covers 513 acres includes Thompson Park.

White water excitement! The powerful Black River offers thrills that will chill even the most intrepid spirit. Fourteen major rapids are packed into a eight mile stretch of river that foams and roars - take full or half day adventure in the company of an experienced guide.

Watertown offers a warm and hearty welcome to all who come to enjoy our splendor.

Climate

If arriving at Fort Drum during the winter months, please be prepared to dress warmly for expected cold temperatures. It is not uncommon to endure a period of below zero temperatures during the winter months. Hats, mittens, scarfs, and warm boots are a must. It is also important to dress in loose fitting layers and be prepared for rapid changes in weather conditions. Remember that it's almost as bad to wear too much as too little. Never leave home without your coat, etc.

In the event of car trouble and weather changes you may need to adjust your clothing accordingly.

Believe it or not...we DO have SUMMER here and the summers are beautiful. We have more than our share of hot and humid summer days despite claims to the contrary.

Fort Drum is classified as being in the Temperate Zone. The summer temperature variations are generally lows in the 60's and highs in the upper 70's and lower 80's. Winters can be anywhere from sub-zero temps to the 40's and 50's.

Events Calendar

There are many things to do and see during your off-duty time year-round in Northern New York.

North Country community events reflect the varied seasons and celebrate traditions you may not see anywhere else.

Spring brings everyone out for ice cream socials, fishing, golf, baseball, childrens sports and the Farmer's Market.

Summer is filled with fairs, festivals, fireworks, picnics, camping, car races, and water sports.

Autumn months bring a variety of events to include the Bravo Italiano festival, Woodmen's Days, leaf pecking tours, trips to the cider mill, and harvest dinners and dances.

Winter months are packed with things to do snowmobile races, skiing, and community events celebrate the "great outdoors" even during winter. Visit a sugarbush where maple sap is boiled into Maple Syrup, go ice fishing with your family,

sledding with your children. The community of Saranac Lake (in the Adirondacks 90 minutes away) builds an Ice Castle every year in February with ice taken from Lake Flower. A sight to see along with a weekend full of activities to include fireworks.

If you're the "indoor type" don't worry there are plenty of events for you too!

SCHOOLS

The Board of Cooperative Educational Services, (BOCES) is the governing body for Jefferson, Lewis, Hamilton, Herkimer and Oneida counties. There are more than a dozen different schools in the surrounding area that youth could attend, depending on where you live. However, Indian River Central School is the school that most military youth attend while living at the Fort Drum Inn awaiting housing.

Currently, New York requires all students to take state exams in five different areas:

- English
- Global Studies
- United States History
- Mathematics
- Science

There are two types of exams-Regents and Regents Competency Tests (RCTs). Regents exams are academically more rigorous than RCTs. Those students who pass the required Regents exams will graduate with a New York State Regents diploma. Those who take the RCTs will graduate with a local diploma.

The New York State Board of Regents is currently phasing out all RCTs and will offer Regents exams only beginning with the freshman class entering high school in the 2001-2002 school year. Students may then earn either a Regents diploma or an Advanced Designation on Regents diploma.

The Board of Cooperative Educational Services (BOCES) is the governing body for Jefferson, Lewis, Hamilton, Herkimer, and Oneida counties. Seven area school districts serve Fort Drum and its outlying housing areas. These are Watertown, Carthage, Indian River, Copenhagen, Lowville, Thousand Islands, and Gouverneur. The area is also served by a number of private/parochial schools located in Watertown, Carthage, and Gouverneur. Where you ultimately reside will determine the school system your children attend.

Upon entering the school district parents are asked to make an appointment. Parents are requested to bring all available information at that time. The required documents are a birth certificate, immunization record, and any school records for each child to be enrolled.

Educational Services at Fort Drum:

The Army Education Center provides a wide range of services to both the soldiers and family members at Fort Drum. Co-located with the McEwen Library in Building P4300, the Education Center provides traditional and nontraditional educational opportunities and counseling services for the military, their families, and the civilian workforce.

The State University of New York (SUNY) Colleges of the North Country Consortium supports the Center at the college level. The consortium has 6 active member institutions providing community college through graduate level academic programs in both traditional and nontraditional modes.

The Defense Activity for Nontraditional Education Support (DANTES) supports distance learning, credit

by examination, and national certifying examination programs available to all of the population served.

Counselors at the Center provide education counseling in support of educational programs, financial assistance through Army Tuition Assistance and other federal program, and veteran's benefits.

Additional information can be obtained on the Education Center web page located in the overview web address.

On July 1, 2002, Fort Drum was designated a primary site for eArmyU, the Army's most innovative system for education and retention. Medical And Dental

Medical and Dental Overview

For more information on this subject:
Fort Drum Health Care Information
<http://www.drum.amedd.army.mil/>

Fort Drum has three medical facilities where care is provided. The Guthrie Ambulatory Health Care Clinic, which sees soldiers, retirees, and family members; the Connor Troop Medical Clinic (CTMC), which sees all division/garrison soldiers; and the Aviation Troop Medical Clinic (ATMC), which sees all aviation troops. There are also two dental clinics for soldiers, the North Riva Ridge Dental Clinic and the Wilcox Dental Clinic. There are no hospital facilities on this installation. Inpatient medical care is provided at civilian hospitals near Fort Drum.

TRICARE Family Member Dental Plan (TFMDP)

The TRICARE Family Member Dental Plan (TFMDP) is a comprehensive and affordable dental plan available to eligible spouses and children of active duty Uniformed Service members. The TFMDP has cost shares, benefit maximums and coverage limitations similar to typical group dental insurance plans. To be eligible for TFMDP enrollment, sponsors must intend to remain on active duty for at least 24 months and this commitment must be confirmed by their parent Uniformed Service. Enrollment and/or changes to enrollment can be accomplished by filling out a DD Form 2494 or 2494-1 at the sponsor's servicing personnel office. Please read these forms carefully as they provide detailed information on enrollment options, limitations and when TFMDP coverage begins. Upon enrollment, the sponsor must pay the monthly premium through their Uniformed Services payroll account - the Government pays 60% of monthly premiums. Before providing care to family members, some dental providers may ask to see a copy of the sponsor's Leave and Earnings Statement showing the dental plan payroll deduction. Coverage is worldwide and portable between assignments. United Concordia Companies, Inc. (UCCI) administers the TFMDP. Detailed TFMDP coverage and enrollment information can be found in the TFMDP benefit booklet. For more information about the program, visit UCCI's web site or contact them at 1-800-866-8499 for information on the TFMDP in the United States, Canada, Guam, Puerto Rico and the U.S.

Virgin Islands, or 1-717-975-5017 (toll call) for information on the TFMDP in all other locations. In overseas locations, enrolled sponsors and family members must contact their servicing overseas dental treatment facility and/or Overseas Lead Agent before seeking treatment from host-nation dental providers, except for emergency care. For more information about the TFMDP, contact your Health Benefits Advisor or in overseas locations, your servicing overseas dental treatment facility or Overseas Lead Agent point of contact. Customer Service can also help sponsors, family members, installation staff and dental providers with specifics about the TFMDP."

General Information
U.S. Army Medical Department Activity
Fort Drum, New York

The mission of the U.S. Army Medical Department Activity (USA MEDDAC) is to provide customer-focused, quality health care to all eligible beneficiaries and to promote and manage all aspects

of health care and medical Readiness to the Fort Drum community.

The MEDDAC is comprised of many different sections located in various buildings throughout Fort Drum and supports approximately 28,000 beneficiaries. Primary medical care for active duty soldiers is provided at the Conner Troop Medical Clinic and Aviation Troop Medical Clinic. Primary and specialty care for active duty, family members and retirees is provided at Guthrie Ambulatory Health Care Clinic, Bldg. P-11050, on Mt. Belvedere Boulevard.

To be eligible for care at all MEDDAC facilities, beneficiaries must be enrolled in the Defense Enrollment Eligibility Reporting System (DEERS) and present a valid military ID card when signing into the clinic.

Health care delivery at Fort Drum is unique. Although the MEDDAC supports a light infantry division, it has no inpatient capabilities. Therefore, local civilian facilities, such as Samaritan Medical Center in Watertown and Carthage Area Hospital provide most of MEDDAC's inpatient needs. The majority of MEDDAC physicians are privileged at these facilities and continue to provide care during patient hospitalizations.

Guthrie Ambulatory Health Care Clinic offers a wide variety of outpatient services to include an Urgent Care Clinic, ambulance services, Family Practice Clinic, Specialty Clinic (which includes Allergy, Podiatry, Orthopedics, Immunizations, Audiology, Obstetrics/Gynecology, Pediatrics, Physical Therapy and Optometry), Pharmacy, and a Health Care Finder service. The Composite Health Care System (CHCS) is an advanced health care information system in place to support the activities at the clinic.

Guthrie Clinic opened in January 1991. The clinical monthly average workload includes some 17,957 visits; 19,095 prescriptions filled; 14,200 lab specimens processed, and 1,655 X-rays taken.

Health Care Options

Your health care options under TRICARE, the Department of Defense health care program, include:

TRICARE Prime

TRICARE Standard TRICARE Extra

TRICARE Prime

TRICARE eligible beneficiaries will receive priority access with no co-payments at MTFs by enrolling in TRICARE Prime. The plan functions like an HMO. Prime enrollees are assigned to a Primary Care Management (PCM) Team. There is no enrollment fee for Active Duty Family Members. Retirees pay a yearly enrollment fee of \$230 individually or \$460 per family. By enrolling, beneficiaries agree to bring all their health care needs to their PCM. Point of Service option is available for family members enrolled in Prime who do not wish to seek care with their PCM or obtain required referrals. However, it does involve significant out-of-pocket expense. To avoid charges, the assigned PCM must either provide the required care or refer the patient to the appropriate specialist.

One of the benefits of TRICARE Prime is guaranteed access standards. These are emergency care 24 hours a day, acute care within 24 hours, routine visits within 7 days and routine wellness and specialty care visits within 30 days. The system is designed to promote wellness, education and prevention versus episodic care.

Although Prime is the best option for most young Active Duty families that live in the area, it is not the default option. Family Members must choose this option and actively enroll. For more information, contact the TRICARE Service Center at 1-888-999-5195 or call the MEDDAC TRICARE Liaison Officer at 772-5111.

Priorities of Care (AD) - Active Duty are Prime patients with the highest priority for care. All Prime enrollees take priority over those patients not enrolled in Prime. Persons not enrolled in Prime are seen on a space-available basis only.

TRICARE Standard

This option is the regular CHAMPUS program with a new name. It pays a share of the cost of covered health care services that a patient obtains from an authorized non-network civilian health care provider. There is no enrollment in TRICARE Standard. People pay the normal TRICARE Standard

deductibles for outpatient care, and the cost-sharing percentages are the same as for regular CHAMPUS.

TRICARE Extra

In this option, patients do not have to enroll or pay an annual fee. They do have to satisfy an annual deductible for outpatient care, just as under TRICARE Standard. On a visit-by-visit basis, patients seek care from a provider who is part of the TRICARE Extra network, get a discount on services, and have reduced cost-shares five percent less than under TRICARE Standard. Also, the patient doesn't generally have to fill out claims forms. Patients can obtain a list of TRICARE Extra providers by visiting the Patient Service Center in Guthrie Clinic, Building P-11050.

Note: Effective April 2001, Active Duty families enrolled in TRICARE Prime no longer have co-payments for civilian health care services (except prescription drugs), based on Section 702 of the National Defense Authorization Act (Public Law 106-398).

DEERS

Military personnel are enrolled in the Defense Enrollment Eligibility Reporting System (DEERS) when they enter active duty. However, to enroll family members there must be legal documentation presented. Active Duty personnel can update the status of family members by presenting such legal documents as marriage certificates, birth certificates or adoption papers at the local DEERS office located in Building T-145 (Post ID Card Section). If this is not done, family members may be denied health benefits other than emergency care. It is important to enroll newborns on DEERS as soon as possible after birth. If you have any questions about DEERS, call 772-3103 or 772-5149.

Dental Services/Directory - on Installation

NOTE: Routine dental care for family members is done in the local community through United Concordia. Family members are authorized ONLY emergency dental care at the Wilcox dental clinic. Emergency numbers are: during duty hours - 772-5576, after duty hours - 772-5236.

The TDP is available to family members of all active duty Uniformed Service personnel and to Selected Reserve and IRR members and/or their families. To be eligible for the TDP, the sponsor must have at least 12 months remaining on his or her service commitment with the parent Service at the time of enrollment. When the Defense Enrollment Eligibility Reporting System (DEERS) indicates less than 12 months remaining, United Concordia will validate the intent of those active duty, Selected Reserve, or IRR members to continue their service commitment. This service commitment will be based on the time remaining in any single status or in any uninterrupted combination of active duty, Selected Reserve, or IRR status.

Individuals eligible to enroll in the TDP include the following:

1. Family members of active duty, Selected Reserve, and IRR service members. This includes spouses and unmarried children (including step children, adopted children, and wards) under the age of 21. Family members will be eligible up to the end

of the month in which they turn 21. Family Members may be eligible after 21 if:

**They are enrolled full time at an accredited college or university and they are more than 50 percent dependent on the sponsor for financial support. These students are eligible to the end of the month in which they turn age 23. If the students terminate his or her education prior to turning 23, eligibility ends at the end of the month in which education terminates.

**They have a disabling illness or injury that occurred before their 21st birthday, or between the ages of 21 and 23 if they were enrolled as a full time student at

the time of the illness or injury, and they were more than 50 percent dependent on the sponsor for financial support.

2. Selected Reserve and IRR service members.

NOTE: All enrollees are eligible for dental care in both CONUS and OCONUS service areas. The family member does not have to be command sponsored, listed on the sponsor's change of assignment orders, or formally recognized as a family member on an accompanied tour to receive dental care in the OCONUS service area.

Financial Preparedness

Financial Readiness is an integral part of soldier and family wellbeing. It is especially critical during relocation. It is important for service members with families to be prepared to pay for temporary lodgings, food, rental costs plus security deposits, and other essentials. It is suggested that \$1,500 will assist you with the above expenses.

If you need assistance please contact your local Financial Readiness Program for an appointment to establish a financial plan for your future needs.

Household Goods Out-Bound Shipments

Packing and shipping household goods is often the most hectic and anxious aspect of any PCS move. You can't eliminate all the anxiety, but you can make packing and shipping a little less troublesome by following these tips:

ARRANGING THE MOVE:

- Visit the transportation office as soon as possible after you receive your orders.
- Inventory your household goods and prepare a weight estimate (check your estimated weight against the weight chart).
- Carefully determine your shipping date and avoid changing it once it's set.
- You must be present during packing and pickup; if you can't be, you must designate a representative in writing during counseling.
- If you must change dates, call the Transportation Office NOT the moving company!

BEFORE THE MOVERS COME:

- Remove the TV antenna, if you have one.
- Empty, defrost and clean refrigerators and freezers that are to be shipped; allow to dry at least two days.
- Disconnect and disassemble all appliances and electronic equipment.
- Remove items from the walls; pictures, curtain rods, mirrors, utensil, racks and other holders.
- Dismantle outdoor play equipment and such structures as prefab storage sheds.
- Remove items from attics, crawl spaces and other similar storage areas (movers aren't required to go into areas that aren't accessible by a permanent stairway, aren't adequately lit or don't allow a person to stand erect).
- Peel off the stickers placed on items during previous moves.
- Separate professional items and mark them so they aren't counted against your weight allowance.
- Make sure you or your designated representative is at home on the appointed packing and pickup day(s).

DURING PACKING AND LOADING:

- Make sure each carton and all unboxed items have inventory tags and that each item is listed on the mover's inventory sheet; also ensure that valuables aren't packed among other, less important

possessions.

- Make sure the packers wrap and pack everything; don't let them tell you they have to take something to the warehouse to be packed.
- Check the inventory sheet carefully before you sign; make sure box contents are correctly identified and that descriptions of major items are accurate.
- Especially note how packers identify existing damage to items; if you disagree with the inventory, note your differences in the space at the bottom of the inventory sheet.
- DON'T argue with the movers; contact the transportation office.
- DON'T sign anything until you read, understand and agree with it.
- DON'T accept copies of forms if you can't read clearly what they say.

Household Goods Claims

STEPS TO FILE A CLAIM FOR DAMAGED OR LOST HOUSEHOLD GOODS

1. **DD FORM 1840/1840R** - The driver delivering your household goods will leave a pink form (DD 1840/1840R). Have the carrier annotate on the 1840 side the damages or missing items noticed at time of delivery. Have the carrier list everything that you notice before they leave. This gives you a better chance of being compensated for that item. As you unpack and discover more damages, list these damages on the 1840R side and file with your claims office within 70 days from date of delivery. (Remember to reverse the carbons). If you need more space, attach plain paper.

2. **TIME LIMITS** There are two deadlines you must meet in filing your claim.

a.) **70 DAYS** You must file your 1840/1840R (Pink Form) with the SJA Claims Office within 70 days from date of delivery. This gives the carrier notice of damages and is not filing the actual claim.

b.) **Two (2) Years** You must file your household goods claim with the SJA Claims Office within 2 years of the date of delivery of your goods.

Appointments are not necessary to file a claim, but are available upon request.

3. MANDATORY BRIEFING You must attend a claims briefing at the SJA Claims Office to complete the filing of your claim. This 30-minute briefing is given every Tuesday and Thursday at 0930 at Building P10720 (2nd Floor). It is recommended you arrive by 0915.

4. DISPOSAL OF PROPERTY DO NOT dispose of or repair any property without contacting our office first. Our adjudicators or the carrier may require an inspection to determine payment or salvage value. This also includes broken china, crystal, figurines and porcelain. Failure to retain an item until we can inspect it may result in a lower payment or a denial of your claim. Written estimates may be required to substantiate your claim. Estimate fees are reimbursable for valid claims, however, appraisal fees are not reimbursable. You can contact the Claims Office for a local repair list.

5. PRIVATE INSURANCE If you have insurance, you must first file a claim with your insurance company before filing a claim with us. A complete copy of the settlement from your insurance company must be submitted with your claim. If your policy does not cover the loss or damage, please provide verification to us.

6. FRAUD Claims which are tainted by fraud, however slight, will be denied. Persons submitting fraudulent claims will be prosecuted.

7. SEPARATE SHIPMENTS You must file a separate claim for each shipment, including household goods, unaccompanied baggage, and nontemporary storage shipments. Your claim may be submitted in person or by mail.

Pet Licensing

Effective February 27, 2001, Fort Drum Installation Policy Memorandum # 19, Mandatory Pet Microchipping and Pet Control, mandates that housing residents will register and microchip all privately owned dogs and cats within three (3) working days of assignment to quarters. Microchipping is a permanent pet identification system that places a small sterile computer microchip under the skin of an animal between the shoulder blades.

Housing residents already assigned to quarters MUST have their dogs and cats microchipped no later than January 31, 2002.

The cost of the microchip is \$13.00 per animal, plus a \$2.00 user fee per client (not per pet). This cost includes the chip and the registration with the worldwide AVID database.

Failure to comply with the mandatory microchip policy will result in the owner being notified in writing through his/her respective chain of command. Failure to comply after written notification will result in the animal(s) seizure by appropriate authority.

For more information on the Mandatory Pet Microchipping and Registration contact Veterinary Services at 772-4262.

Support Services

Support Services Overview

Your first line in support services is the Army Community Service. The Fort Drum ACS is available for assistance in all phases of your life. Information and Referral provides guidance when you may not know who to call for your particular need.

Some of the Support Services that are in and around Fort Drum are listed in the categories below.

If you have a need that is not mentioned please call (315)772-6557 or 1-800-826-0886 and ask for Information and Referral. The ACS Staff will refer you to the proper location or agency to address your needs.

Family Centers

Army Community Service at Fort Drum offers a 1-800 toll free number. This number is accessible from anywhere in the continental U.S. If you need to contact another agency on Fort Drum that has a 772 prefix, call the 1-800 number during duty hours Monday through Friday from 0730-1700 EST and the staff would be happy to transfer you. 1-800-826-0886

Morale, Welfare, and Recreation

MWR MISSION Statement:

Sustain readiness by providing quality recreation, education, community and family programs that meet or exceed customer expectations.

We are very proud of the MWR facilities here at Fort Drum. Upon your arrival please be sure to tour the many facilities and check out available programs here on the installation. Your suggestions and comments are always welcomed and are considered in the planning of future programs and services.

The PREVIEW guide published monthly by the DCA Marketing Division is widely available on post to keep you informed about upcoming events within MWR/DCA facilities.

The PREVIEW is included as a supplement in the Fort Drum newspaper "Blizzard" on the 3rd week of each month or available at any MWR/DCA facility.

The PREVIEW is provided in each Fort Drum Welcome packet to provide newcomers with a comprehensive overview of MWR/DCA Facilities and Programs here at Fort Drum.

New Parent Program

The New Parent Support Program is a professional team of social workers and nurses who provide supportive and caring services to military families with children from birth to six years of age.

Through a variety of programs including home visits, support groups, and parenting classes, the New Parent Support program will help you learn to cope with stress, isolation, post-deployment reunions, and the everyday demands of parenthood.

This voluntary participation program was developed to assist military families in many ways that friends and family often do when you're back home. For more information call 772-0748.

skating, mountain bike trail riding, mini golf and go-
carts, camp out, Discovery Zone trips, and lots more.

Call YS at (315) 772-6719 for additional information.

Schools

Schools are covered in detail in the Education
Section of SITES.

All of our school districts offer after school sports
programs with football, soccer, lacrosse, field/ice
hockey, basketball, volleyball, track and field,
wrestling, baseball, softball, etc.

There are clubs such as Photography, Future
Teachers of America, Future Farmers of America,
Debating, Honor Society, Foreign Language,
Booster, Business, etc.

About 90% of our school age youth are bussed to
school as some of our families live in the country.
City youth living a mile or less walk to school. This
can be fun in the spring, summer, and fall, however
in the winter dress warm. Practical boots (warm with
good walking surface), warm coats, hats, gloves or
mittens, scarves to keep out the wind, and leggings or
snow pants are sometimes in order during harsh
winter weather.

SCHOOLS

The Board of Cooperative Educational Services,
(BOCES) is the governing body for Jefferson, Lewis,

Hamilton, Herkimer and Oneida counties. There are more than a dozen different schools in the surrounding area that youth could attend, depending on where you live. However, Indian River Central School is the school district that most military youth attend while living at the Fort Drum Inn prior to the assignment of housing.

Students graduating from schools in New York may receive either a local diploma or a Regents Diploma, depending upon the program they have elected during their high school years. Requirements for the Regents Diploma are greater than those for the local diploma and the decision as to which one a student should receive is based upon factors such as career goals, academic ability, and motivation. Beginning with the September 2001 cohort group of 9th grades, the local diploma will no longer be an option. The New York State Graduation Requirements are in transition, with several new changes coming in 2001.

School Age Care

Even if daily care is not required - ALL PARENTS should make secondary arrangements for their school age children in the event of school delays, early release, and school vacations. Prepare your child(ren) in advance so they understand what to do during such times. Making a solid plan and reviewing it with your child(ren) will reduce stress on unusual days when you may not be home to receive them after school.

Fort Drum School Age Services (SAS) program offers before and after school care as well as holiday, and school vacation care. Be aware that not all school districts provide transportation to the on post site.

Some of the area schools also offer before and after school (SACC) programs geared to those students whose parents work. See the listing below for representative information within the local school districts.

Also check with Family Child Care (FCC) to find a caregiver within your assigned housing area.

Based on availability of care in your area each family must individually assess the best option for their

children and family. See the education section for the names and telephone numbers of the various schools if you require more information.

Extended Day Care Options for School Age Children:

School Age Child Care (SACC) programs are available in the following school districts: Most morning programs begin at 7:00 am and after school close at 6:00 pm with the exception of Watertown City School District and Black River Elementary which close at 5:30 pm.

Watertown City School District offers SACC programs at the following locations -Wiley, Sherman, Knickerbocker, Starbuck, North Elementary, and Ohio (after school program only until 5:30 pm). Cost: \$6.55/day 1st child and \$3.70/day for each additional child. Program closes at 5:30 pm.

Indian River Central School District offers SACC programs at Evans Mills and Philadelphia Primary. Cost: (before school care)\$5.80/day and \$3.35(2nd child), (before and after school care)\$8.40/day for the 1st child and \$5.25 (2nd child). Before school care begins at 7:00 am and after school program closes at 6:00 pm.

Carthage Central School District offers SACC both before and after school programs at Carthage, West Carthage and Black River Elementary Schools. The program closes at 5:30 pm at Black River and 6:00 pm at Carthage and West Carthage.

South Jefferson Central School District offers after school programs only at Wilson, Mannsville, and Sholtz Elementary buildings. The program closes at 6:00 pm.

1000 Islands Central School District offers both before and after school programs at Clayton and Cape Vincent Elementary. The programs close at 6:00 pm.

General Brown School District offers before and after school programs at Brownville/Glen Park and Dexter Elementary schools. The program closes at 6:00 pm.

Belleville Henderson offers after school care only. The program closes at 6:00 pm.

Lafargeville offers after school care only. The program closes at 6:00 pm.

Here is feed back from a survey of teens that live on post:

WHAT'S HOT?!!!:

1. Youth Services
2. Movies
3. Bowling Alley
4. Magrath Gym
5. Mini Mall (arcade)
6. McDonalds
7. Salmon Run Mall (the local mall in Watertown, 10 miles from post)
8. School sports and activities.

WHAT'S NOT?!!!:

1. Go-Carts
2. Pennants Club (establishment on post)
3. Spinners Club (establishment on post)

Youth Employment

New York State requires that you have to be sixteen, with working papers, in order to be hired for employment. These papers can be obtained at your local schools' Guidance Office.

We have the usual fast food outlets: McDonalds, Arby's, Pizza Hut, Burger King, Dunkin' Donuts, Jreck Sub Shop, etc. We also have other types of employment for teens: in the summer many state parks, and community recreation programs look for seasonal workers, clothing retailers are always looking for good and honest workers. Don't get discouraged if you don't get a job right away, keep trying.

Also, Volunteering with the Youth Volunteer Program is a great way to build marketable job skills and obtain references for future employment applications. Good luck...

Youth Centers

The Youth Services staff warmly welcome you to Fort Drum Military Community. Our purpose is to provide activities which promote moral, social, and personal development for family member youth in grades 1-12. We are very proud of our Youth Services program and hope that we offer activities you will enjoy. We pledge our best efforts in services to you and your family.

The youth center is located in building P10790 on Chapel Drive, which is a block behind the AAFES PX and Commissary shopping center. The youth center has 18,000 sq ft of programable space and it includes two lounges, a gymnasium, snack area, computer lab, and instructional classroom. We also have dedicated ball fields adjacent to the youth center.

All youth wishing to participate in Youth Services are required to be registered with the program. Parents are required to come to the youth center for all registration purposes.

Registration days and times are Monday - Friday, 2:30 - 7:00pm.

Youth Services include programs in the areas of Leisure & Recreation, Fitness & Sports, Life Skill & Leadership, and Mentoring, Intervention and Support Services, and Youth Sponsorship.

We offer a wide variety of activities each month. A calendar of events and other community publications for you to find out what is happening at YS.

For Teens Only

Fort Drum offers Remington Park for a natural swimming and picnic area. The Youth Services Center is always a good place to hang with your friends. The Pine Plains Bowling Center on Ft Drum is a hot place to be on the weekends, and the gym is a great place for teens interested in various fitness workout routines.

In Watertown (10 miles from post) teens enjoy the Ultimate Goal Sports Complex and Dry Hill Ski Area.

Teens were recently surveyed from the Teen Council Meeting held at Youth Services, here are the questions they were asked and their responses:

1. The enforcement of curfews: Fort Drum does not have a curfew for teens and does not experience many teen problems. Several local communities that have Army Community Housing have curfews. These curfews are for teens under 16 years of age and are local village/city laws, not Fort Drum regulations. All curfew's, regardless of location, are effective at 10:00PM each night. The following villages/cities have curfews and have Army Community Housing in their jurisdiction:

Gouverneur, NY
Philadelphia, NY
Lowville, NY
Carthage, NY
West Carthage, NY
Watertown, NY

Parents of teens caught in violation of these local laws will be cited.

2. The level of violence: Not too high, graffiti more than fighting.

3. Local hangouts, which ones should be avoided and why: Walking in the woods for short cuts, at times you may find a small group of trouble makers.

4. Are there any other safety issues: There are no specific areas that pose a special threat to teens. As with any community, there is a local criminal element that threatens every citizen. Drug usage has increased over the years and the criminal element associated with this activity has targeted teens. There is very little violent crime in this area.

5. What is the availability and variety of sports, social and recreational opportunities: *cheerleading *basketball *football *soccer *baseball *track *volleyball *tennis *swimming *monthly dances *holiday dances *proms *homecoming *musicals.

6. What is atmosphere between teens and law enforcement officials on the installation and in the communities?

Generally, conditions/atmosphere between the local law enforcement community and teens is very good.

As with any situation, there are instances that occur that are not always friendly. However these instances are few and far between. The Fort Drum law enforcement community sponsors "job shadow" and "internships" with local schools. In addition, McGruff the Crime Dog, Bike Rodeos, and career days are supported. Local civilian law enforcement agencies also sponsor internships, DARE programs, and in some cases Police Explorer programs.

7. Saved the best for last!! The popular radio stations in the area are:
106.7 "The Border" and 107.9 in Syracuse.

Survival Tips For First Termers

Survival Tips for First Termers Overview

If you love the outdoors and the change of seasons you will find plenty to do on your free time. The rest, don't despair, you will soon appreciate the Northern NY atmosphere.

Our summers are really beautiful. A lot of folks enjoy driving to Lake Placid, Wescotts Beach State Park; fish in Lake Ontario, St. Lawrence River and other rivers, lakes, and streams in our area. Taking in a County Fair can prove to be alot of fun for everyone. Our Jefferson County Fair is the oldest continuous fair in the country. Lots of food and Midway rides for fun. Don't forget to get some homemade taffy.

Of course we have winter. Old man winter can really dump some snow our way. This is the time for the diehard skier, iceskater, snowboarder and those who would like to enjoy an evening by the fireplace. Lots of "winter" sports and games for all. As a matter of fact those who enjoy fishing will find icefishing something that they might enjoy (Remember Grumpy Old Men!!)

If you are traveling up here in the winter time please take it slow on the roads. Always plan more time to get where you are going. The time it takes to get from one place to another between summer and

winter will nearly double. This is not only caused by the fact you need to slow down because it is slippery; other things such as visibility, snow plows, sanders, and traffic flow all have an affect. Don't allow yourself to be in a position to hurry during winter - it won't pay.

See and be seen. Visibility is a must. Before you leave the driveway be sure to COMPLETELY clean snow and ice from your vehicle. If you leave snow on the roof of your car it will eventually slide off and possibly cover your windows and lights. Drive with your headlights ON during any incimate weather, during "white out" conditions drive with your four-way hazard lights on to increase your visibility to other motorists. You will be much safer if other drivers can see you. Traction in winter is also a must. The summer tires on your car will not do. You will need to replace your summer treads with some studded snow tires, snow tires, or radial all weather tires. One last note - Your car should be winterized with anti-freeze that goes to -30 below zero.

Keep emergency equipment such as a shovel, ice scraper and brush, tow chain or strap, flares, tool kit, high energy food, dry sand or kitty litter in a sealed container, flashlight, first aid kit, candles and matches, blankets available for emergency use.

Do not leave home without your warm weather clothing: coat, hat, gloves, boots. Remember if your car stops running you won't have heat.

Always call the 10th Replacement Company if you are unable to reach Fort Drum at your designated due date. Failure to do so may result in a AWOL. Telephone number 1-800-661-7158 or (315) 772-7529. They are open 24 hours a day.

Before You Move

Call the Transportation office to find out when the movers will pick up your household goods. Read the Household Goods Out-Bound Shipments section of SITES to assist you. Always bring personal items such as Marriage Certificate, Birth Certificates, School records, Health records, and other important papers with you; don't trust the movers with them. If they get lost you might have a difficult time getting replacements.

Note: If you get married before you PCS, you MUST inform your commander and follow the procedures exactly as you are given them. The military will not pay for travel and housing of your spouse if you do not follow proper procedures.

After You Arrive

Single soldiers don't forget to call your family to let them know that you arrived safely. Your Family members can get rather worried when you fail to call. Ease their minds...That goes for married soldiers as well.

Go to your Relocation Readiness Program for a Welcome Packet and community information to assist you in your settling in period. Use the lending closet just in case you forgot something. Most ACS's allow you to borrow items for 30 days and will give you a extension if needed. ACS is the place where you will meet kind and receptive people who understand the process of moving.

Our ACS has a Welcoming Tour that leaves from the Fort Drum Inn the first and third Tuesday of every month at 0930 - 1430. This is a great way to get to know other new people and the tour will take you around Fort Drum and Watertown.

ACS also offers the New Spouses Orientation every Monday. This is an excellent way to find out "need to know" items, information about MWR programs, and many other services and programs available on Fort Drum.

Reporting Procedures

All soldiers arriving to Fort Drum are assigned to the 10th Replacement Company for inprocessing prior to final assignment to a specific unit.

Our expanded inprocessing consists of installation orientation, activity inprocessing, TA-50 issue, and deployment readiness screening. Our staff will assist you resolving any problems that may arise during your inprocessing.

If we can be of any assistance, please feel free to contact us at herberth@drum.army.mil or call us at (315)772-6140/9705, 1-800-661-7158 or 1-800-826-0886 ext.6140/9705.

Once again, Welcome to Fort Drum.

CLIMB TO GLORY!

Travel Planning

If you really want to enjoy your travel here to Fort Drum and are planning to drive; stop by your local Army Community Service for a detailed map print out of the best possible routes to Fort Drum. If your local ACS doesn't have that capability contact your

on post ITR (One Stop Travel Office); they more than likely have that program.

You may also request a Welcome Packet in advance from the Fort Drum Relocation Readiness Program. Call (toll free continental US) 1-800-826-0886 ask for extension 6553, Commercial (315)772-6553 or email afzs-pa-rel@drum.army.mil

Be sure to provide your rank, full name, mailing address where you would like the packet sent and your expected arrival date at Fort Drum.

Take the time to plan for your trip. Not planning ample time for travel can cause undue stress for you and your family. The trip will be enjoyable if you can stop along the way and visit the many interesting sights that may be available. Lot's of families take a cooler and pack it with "goodies"; this can save on \$\$\$ while you travel. Depending on the length of your trip be sure to make periodic stops to stretch your legs and take a break from the road.

Please drive safely and Welcome to Fort Drum!

Vehicle Ownership

Military Personnel - You don't need a New York State (NYS) Drivers license or a New York Registration to drive in NYS. However, you MUST have both a valid drivers license and a valid registration; IT'S THE LAW. Make sure you take care of this before you leave your current duty station. If you are coming from Overseas take care of this before you get behind the wheel in NYS. If you are unable to do so, The Department of Motor Vehicles at 175 Arsenal Street, Watertown or the DMV on Fort Drum Building P10720 will be glad to help you.

It is MANDATORY to register your POV on post, refer to the "Must Know Section" for detailed information.

Spouses this one's directly for you. If you take a job off post you will have to get a NYS drivers license; you will have 30 days to do so. If you are coming from Overseas and your driver's license has expired and all you have is a International or USAEUR license you CANNOT drive in NYS. Go to the Department of Motor Vehicles at 175 Arsenal Street, Watertown or the DMV on Ft Drum and take care of this situation as soon as possible.

Housing and Billeting

Check the Housing & Relocation Categories for this information.

Money Matters

Check the Support Services category; Financial Readiness information is found here. Also, seek out the Relocation Readiness and Financial Readiness Programs at your current duty station for financial planning assistance in preparation for your move.
